

Kijani

Kijani is Swahili and means translated GREEN
This does not mean that you now have to entangle all green wool;-)

Used to 100g 4-way or 6-way Sockenwolle
or homespun wool in these strengths.
For 4 ply Wool Needle Size 4.0 / 6-ply needle 4.5
With 4ply fold wool, the fabric is very airy.
You just have to try something you like.

The shawl is about 1.55 m wide in Needles 4.5
It has no top front, but a straight part.
40g to start with - 20g for the center - 40g for the end
So you have to weigh in between times.
